About

I am a seasoned finance professional with over two decades of experience in the tech industry. As the Chief Financial Officer at Big Tech PLC, a leading tech consulting firm, I oversee a dynamic team of 35 professionals and directly manage five talented individuals. With a background in Economics, Mathematics, and Accounting, I bring a wealth of knowledge to my role, having graduated with first-class honors from the University of Liverpool and earned a master's degree in Accounting from the University of Edinburgh. I furthered my education with an MBA from the Open University, enhancing my ability to drive financial success in the ever-evolving tech landscape.

My career has been shaped by a commitment to excellence and a dedication to strategic financial management. At Big Tech, I work closely with our CEO to chart the financial course of our organisation. My passion for technology is matched only by my love for playing tennis, hiking with my dog (Maui), and practicing yoga during my free time.

Let's connect to share insights, network, and explore exciting opportunities in the tech and finance sectors.

I know this isn't Facebook, but it's Friday and everyone loves dog photos... 🐶

Here's my good boy, Maui, on his SEVENTH birthday! We're so lucky to have him.

Well, that's my eldest, Samantha, off to high school for the first day. Isn't it crazy how time flies?

I remember my own mum saying to me that she couldn't believe how quickly... .. show more
