

# UNLOCK SALES OPPORTUNITIES WITH INTERACTIVE TRAINING.

DISCOVER THE ESC PARTNER PROGRAMME TODAY

# TRAINING THAT TURNS HEADS.

Training. Historically, it's always been an easy win with clients. Short and sweet engagements that help them tick a box, right?

But it's boring. Dull. Done because you *\*have\** to, not because you *\*want\** to.

What if you could bring something exciting, something engaging, something... a little different to your customers? Training they want to be a part of?

**Don't roll your eyes. It's possible.**

At Esc, we recognise the significance of captivating your clients and prospects with fresh approaches. We thrive on pushing boundaries and crafting unique experiences.

So let us be your guide to injecting excitement, engagement and a touch of the extraordinary into your interactions.

# WHY PARTNER WITH US?

We work with some of the world's biggest and brightest names creating exciting and engaging cyber security awareness activities for their employees. Wouldn't you like to get a piece of that action?

Having a service up your sleeve to differentiate yourselves in a crowded market can help you to:

- Position your brand as a market leader
- Gain a competitive edge
- Enhance your product portfolio with innovative offerings
- Boost revenue streams through trusted partnerships

**So, what are you waiting for?!**

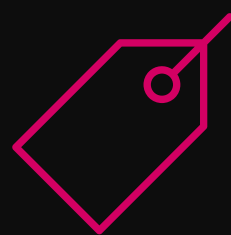

# EXCLUSIVE BENEFITS.

At Esc, our friends come first. So partnering with us brings a whole host of benefits for your business! As a registered partner, you'll get access to:

## DISCOUNTED EVENTS

Registered partners can claim discounted rates on our cyber escape room activities for their own client-facing events. Cause we're good to you like that.

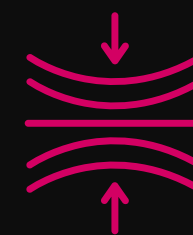

## COBRANDING OPPORTUNITIES

We like to give credit where it's due, so we've introduced co-branding options for partner-led engagements. Ask us for more info about our co-branded kits,

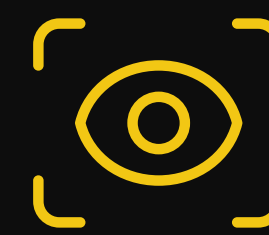

## JOINT MARKETING CAMPAIGNS

Marketing is hard. So we'll help you market interactive training and events services to your clients, helping you drive interest and opportunities in your direction.

## FLEXIBLE SALES MODELS

One size doesn't fit all, we know. Whether you want to run the whole deal or just introduce us to someone new, we're flexible about how we work with you.

## PREVIEW PROGRAMME

You'll get to experience our latest interactive activities before everyone else with our new preview programme, giving you the edge in innovation and training.

# OUR SERVICES.

## CUSTOM ESCAPE ROOMS

Engage your team with our custom-designed escape rooms that challenge and educate participants on critical cyber security concepts. Perfect for corporate training and events, these immersive experiences foster teamwork and enhance learning retention.

## OUT OF THE BOX ESCAPE ROOMS

Explore our range of ready-made cyber security escape room games, each designed to address key cyber security topics, including passwords and insider threat. These solutions are perfect for quick deployment and can be easily integrated into your existing training programs.

## INTERACTIVE WORKSHOPS

Tailor-made activities, workshops and events crafted to meet the specific needs of your organisation. We design unique scenarios that address your particular challenges and objectives, ensuring your team gains practical, applicable skills in a fun and engaging environment.

## CAPTURE THE FLAG COMPETITIONS

Engage technical team members with our Capture the Flag events. Developed in conjunction with our friends at Punk Security, we offer both out-of-the-box and bespoke activities to entertain and educate on a wide range of technical subjects

## WHAT PEOPLE SAY.

ESC RAN THE HEIST ESCAPE ROOM FOR SEP2'S CYBER SUMMIT EVENT AT TOTTENHAM HOTSPUR STADIUM.

HAVING AN ACTIVITY, AND ESPECIALLY ONE THAT WAS 'HANDS ON' AND DIDN'T INVOLVE ANY SCREENS, MADE FOR A REALLY NICE CHANGE OF PACE AND KEPT ALL OUR GUESTS ENGAGED.

**LAURA BIRD**  
HEAD OF MARKETING, SEP2

THE CYBER ESCAPE ROOM HAS BEEN EXCELLENT. WE TOOK IT AWAY TO GERMANY AND I HAD FIVE TEAMS OF FIVE GO THROUGH IT, ALL OF THEM THOUGHT IT WAS REALLY FUN AND MADE THEM START THINKING ABOUT THEIR SECURITY PROCEDURES.

SO, A BIG THUMBS UP FROM US!

**REDACTED**  
CISO, MINISTRY OF DEFENCE

## READY TO UNLOCK NEW OPPORTUNITIES?

Drop a line to our team today and find out more about how you can bring innovative training and events to your client base.
